

LUBRICATION ENGINEERS[®], Inc.
LEADERS IN LUBRICANTS

CERTIFICATE

This is to confirm that Lubrication Engineers, Inc. DUOLEC[®] Vari-Purpose Gear Lubricant is suitable for use in gearboxes, requiring extreme pressure (EP) gear lubricants, that contain brass on bronze components as DUOLEC[®] Vari-Purpose Gear Lubricant does not contain an aggressive EP additive system.

JEFFREY E. TURNER, P.E.
Executive Vice President

Before me personally appeared Jeffrey E. Turner
on Thursday, June 3, 2010.

Notary Public in and for Tarrant County, Texas
